Mohamed Abdulkarim Mohamed

+44 7956 765580 | Mohamed.m365@outlook.com | github.com/Mohamed1756

TECHNICAL SKILLS

- **Systems:** Windows, Linux, MacOS, Network Configuration
- **Programming:** Python, PowerShell, Bash, SQL
- **Cloud/Infra:** Azure, AWS, Network Security, Active Directory, VPN
- **Tools:** System Monitoring, Backup Solutions, Ticketing Systems

PROFESSIONAL EXPERIENCE

Telecommunications Engineer | Circet Sept–Dec 2024

- Provided on-site technical support for telecom systems from major UK providers (EE, BT, Sky, TalkTalk)
- Diagnosed and resolved complex connectivity issues using systematic troubleshooting approaches
- Delivered excellent customer service while explaining technical concepts to non-technical users
- Documented technical procedures and solutions using knowledge base systems

Founder & Lead Engineer | Clipfeed.xyz Jan 2025–Apr 2025

- Developed AI-powered platform for video/audio clipping, transcription, and sentiment analysis
- Managed full IT infrastructure including server maintenance, system security and user access controls
- Provided technical support to platform users, resolving issues through remote assistance
- Developed and maintained documentation for internal systems and troubleshooting procedures

KEY PROJECTS

System Infrastructure Implementation 2025

- Designed and implemented secure cloud infrastructure for web application deployment
- Configured monitoring systems for early detection of performance issues
- Created automated alert systems using Python and PowerShell scripts
- Implemented secure authentication systems and access controls
- **Tech Stack:** Cloud Platforms, Monitoring Tools, Network Configuration, Python, JavaScript

IT Automation Tools 2024

- Developed scripts to automate routine system maintenance and monitoring tasks
- Implemented SQL databases for tracking system inventory and support tickets
- Built custom reporting tools to identify common issues and resolution patterns
- **Tech Stack:** Python, Bash Scripting, PowerShell, SQL, JavaScript, Monitoring Services

EDUCATION

BSc (Hons) Computer Science | Brunel University London 2018–2021
Upper Second-Class Honours (2.1)
Relevant Coursework: Software Development, Artificial Intelligence, Networking, Cybersecurity

CERTIFICATIONS

- Microsoft Certified: Azure AI Fundamentals
- Microsoft Certified: Azure Data Fundamentals
- CompTIA A+ (In Progress)
